MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Indebtedness of [REDACTED]
U. S. Army

25X1A9a

1. Paragraph 4 below contains a recommendation for action by the Deputy Director (Support) under Regulation [REDACTED]

25X1A

2. The attached Staff Study prepared by Chief, FE Division, recommends that an outstanding advance account balance of \$81.60 charged to [REDACTED] be settled under the provisions of CFR 1.4(d). Inasmuch as the authority under CFR 1.4(d) is limited to situations wherein operational or security reasons are the basis for settlement and since no operational or security factors appear to be involved in this case, it would seem that Regulation [REDACTED] is the only authority under which this account could be settled.

3. The \$81.60 involved in this case represents insurance paid by the Agency for [REDACTED] household effects which were in commercial storage during the period he was assigned overseas with [REDACTED]. When [REDACTED] was presented with this charge, he refused to reimburse the Organization on the grounds that the Director had assured him in writing, prior to his acceptance of the assignment, that the Agency would take care of any expenses incurred as a result of the project which he would not normally incur if assigned to a military position in the same area. Col. [REDACTED] maintains that this expense would not have been incurred had he been able to utilize military storage facilities. FE Division was unsuccessful in its attempt to locate the Director's written commitment to [REDACTED].
